## Prepare, practise and progress with our innovative tools and human-centred approach!

- **Online preparation:** Access our Shareforce Academy platform for videos, a detailed programme and interactive modules designed to meet your individual needs.
- **Flexible programme:** Choose a one-day or multi-day training course, with collaborative workshops and case studies that promote interactive and human-centred learning.
- **Proactive approach:** Learn key concepts before each session to maximise your impact, with personalised support.
- **Personalised follow-up:** Benefit from interactive tools and ongoing support to deepen your knowledge between sessions, with a focus on your personal development.

## Artificial intelligence at the service of your progress

Throughout the training, we will also use artificial intelligence as a cross-functional tool to enrich analysis, compare data, generate ideas and facilitate decision-making. You will discover the fundamentals of its use and explore how AI can become a concrete lever for gaining efficiency and relevance in your professional activities.
